**BRITISH WIRELESS
FOR THE BLIND FUND**

KEEPING BLIND PEOPLE IN
TOUCH WITH THE WORLD

THE BWBF NEWSLETTER

SPRING 2020

Thank you for your support

As we head into a fresh new decade we feel optimistic and excited about what 2020 holds for British Wireless.

However, here at BWBF we are acutely aware that the future also means more people than ever losing their sight - perhaps feeling detached from the

world around them and struggling to adjust to the new challenges they face in life.

Over the years one thing that hasn't changed is the need for easy to access news, entertainment and connections to the wider world.

As more people than ever need our help we in turn need, and appreciate, yours.

We thank you for your ongoing support.

The world of radio

Music and the world of radio have always brought immense joy to Anne Gregson. But sight and hearing problems have made it difficult for her to fully indulge in one of her greatest pleasures.

Now the 77 year old from Lancashire says she is enormously grateful to British Wireless for bringing music into her home by providing her with a radio.

"I'm thrilled, it's marvellous. I have it on all the time," she said.

Anne was delighted to meet BWBF's volunteer Janet, who pre-set her favourite channels and made sure everything would be easy to operate independently.

"I enjoy music very much, so it's wonderful to have a radio that I can hear and operate clearly and easily."

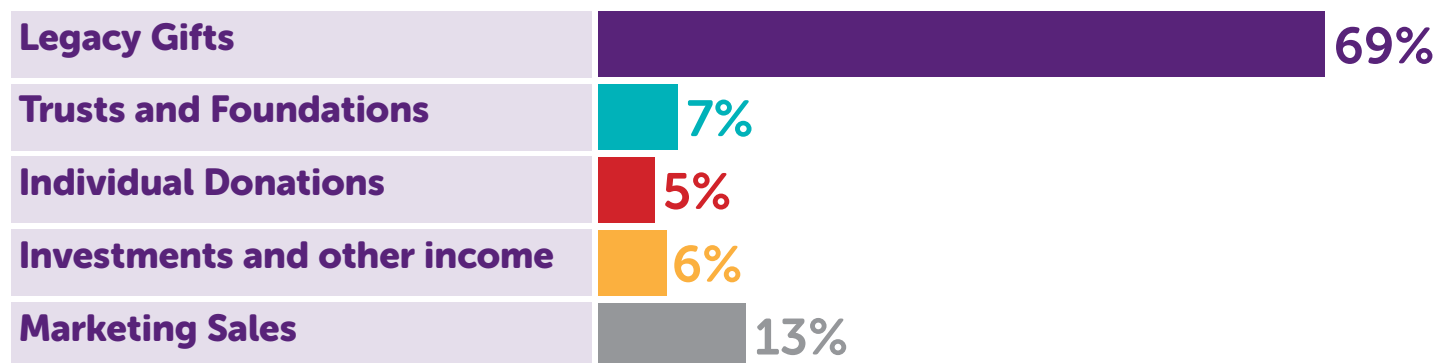

"It's a wonderful thing to have. I'm so grateful"
