- **Mains & battery power**
- **Built-in battery charger**

Size: L 160mm x W 105mm x H 35mm

Weight: 373g (13.5oz)

This ultra-compact and portable DAB/FM radio has a built-in battery charger. So whenever you plug it into a wall socket, your batteries will recharge! The Play is simple to use, when you first switch it on it will automatically tune in all the radio stations available. You can then go through and store your favourites on the 10 station presets.
