

BRITISH WIRELESS FOR THE BLIND FUND

KEEPING BLIND PEOPLE IN
TOUCH WITH THE WORLD

**Could you or
someone you know
benefit from a radio
that's designed to
be easier to use for
people with sight
loss?**

BRITISH WIRELESS FOR THE BLIND FUND

KEEPING BLIND PEOPLE IN
TOUCH WITH THE WORLD

Here at BWBF we provide a range of audio equipment that is designed to be easier to use for people with sight loss.

Digital/FM radios, CD, USB players, internet radio and more, our equipment is of high quality and available free of charge to those who meet our criteria.
